

WE ARE HOLDING AN APP CHALLENGE!

APP CHALLENGE 2016: enrollment full – stay tuned for future events

WHAT: Join other middle school girls and work together on teams to design a mobile application.

ACTIVITIES:

- Identify a problem in your school or community.
- Think creatively about how you can solve the problem using technology.
- Create a storyboard prototype of a mobile application.
- Present your mobile application to judges and compete for a prize!

WHEN: Saturday, April 2
10am – 3:30pm

WHERE: Bryant University
1150 Douglas Pike, Smithfield, RI 02917

For more information, contact YWCA Rhode Island at 401-769-7450.

- Computer skills are not required.
- Lunch and snacks will be provided, but you may want to bring a water bottle. If you have any allergy or dietary restrictions, please let us know by calling Tinisha at 401-351-2241.
- Wear comfortable clothes that you can move around in.

AGENDA:

9:15am	Registration - Bring your positive attitude!
